The choice of secondary school can be one of the most challenging for parents. In choosing The Bishop of Llandaff, be assured that your child will be joining a school which is recognised as 'excellent' in every area by both Estyn and diocesan authorities.

Our examination performance is **consistently amongst the best in the country** (not just Wales!) and each year our **students perform well above** their expectations. In 2024, 96% of students achieved 5 or more A\*C including English and mathematics, with 56% achieving 5 or more A\*A grades. However, our school is not just about achievement in public examinations. Our students develop a **broad set of skills** which prepares them for adult life, and they **develop strong moral values** built on love, acceptance, responsibility and forgiveness. We believe these values help create a more tolerant society and help young people grow in character.

A copy of our prospectus can be downloaded from our school website and for more information please contact us
